Docket No. 98N-1265
4914 Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Please do not limit the number of prescriptions
that can be shipped across state lines.

I started taking hormone replacement
medication distributed by Madison Pharmacy Assoc.
around the beginning of the year and I feel like
I have a new lease on life.

I took Premarin and Provera for years
and endured swollen breasts, cramps and
long periods which, at times, left me anemic.
Despite dosage changes over the years my body
never adjusted to Premarin or Provera.

I would be extremely unhappy if I could
no longer obtain my hormone replacement
medication from the Madison Pharmacy.
